PROFESSIONAL SUMMARY

Results-driven SEO Analyst and Digital Marketing Professional with hands-on experience in SEO, Performance Marketing, Lead Generation, Google Ads, and Meta Ads campaigns. Skilled in keyword research, on-page SEO, technical SEO, local SEO, conversion optimization, and campaign performance analysis. Experienced in improving CTR, CPC, CPL, and organic visibility through data-driven optimization strategies. Strong understanding of AEO, GEO, AI Search Optimization, landing page optimization, and conversion tracking using Google Analytics, Search Console, and SEMrush. Additionally, experienced in content strategy, backlink outreach, and competitor analysis to improve domain authority and search rankings. Passionate about leveraging AI-powered marketing tools and automation to drive measurable business growth, user engagement, and high-quality lead acquisition.

PROFESSIONAL EXPERIENCE

Digital Marketing Analyst

Dec 2023 - Present

Invensis Learning, Bangalore

- Performed keyword research, competitor analysis, and SEO audits to improve organic rankings and website visibility.
- Implemented on-page SEO strategies including meta tags, heading optimization, internal linking, and content structuring.
- Supported technical SEO improvements for crawlability, indexing, and website performance optimization.
- Monitored SEO performance using Google Analytics, Search Console, and SEMrush to identify traffic growth opportunities.
- Assisted in optimizing landing pages for better user engagement and lead generation performance.
- Worked on AEO and GEO strategies to improve AI search visibility and LLM content discoverability.
- Collaborated with content teams to optimize blogs and web pages aligned with search intent and conversion goals.
- Analyzed SEO data and suggested actionable improvements based on rankings, traffic, and engagement metrics. Secured high-authority backlinks through HARO (Help a Reporter Out) by crafting expert responses for media and journalist queries.
- Collaborated with content and PR teams to identify relevant HARO opportunities aligned with industry expertise and SEO goals.
- Contributed to off-page SEO strategies by acquiring quality media mentions and improving domain authority through digital PR outreach.
